Dear Mr. Kawata:

The U.S. Environmental Protection ("EPA") and Hawaii Department of Health ("DOH") are responding to your letter to Mr. Tom Huetteman EPA Region 9 dated June 15, 2015 which requests an extension to the original July 1, 2015 deadline for submitting comments on the proposed Administrative Order on Consent for the Red Hill Bulk Fuel Storage Facility. EPA and DOH are granting your request and extending the opportunity for receiving public comments to July 20, 2015. Our corresponding website materials for this proposed AOC will be updated to reflect the new deadline for the public to submit comments for consideration. These websites also now have a link to all documents in the Administrative Record with the exception of the five documents protected by copyright.

Thank you for your interest in the proposed Administrative Order on Consent for the Red Hill Bulk Fuel Storage Facility. If you have any questions or concerns, please contact Omer Shalev of EPA Region 9 at (415) 972-3538 or shalev.omer@epa.gov, or Roxanne Kwan of DOH at (808) 586-4226 or roxanne.kwan@doh.hawaii.gov.

Sincerely,
